An Eye-Opening Keynote with Traci Brown, CSP

'Two Truths and a Lie' is a fun game unless you don't know you're playing. You haven't realized it, but in business, you're playing everyday... and YOU'RE LOSING.

Discover how to **win** the game with clients, your boss, your team, and your prospects. **Protect your hard-earned profits** and catch would-be fraudsters *before* they can take away **everything you've worked for.**

In this fast-paced keynote, you'll discover how to use Traci's **9-Point Fraud Spotting System** to separate the lies from the truth, so you don't innocently step into a business, life, or reputation-destroying event.

Do you often ask yourself:

Do you know your prospect's REAL budget?

Are they going to buy from you or are they just shopping?

Are you really the last person you're talking to?

Are they happy with your proposal or service?

Do they really have to talk to their spouse first?

You'll also be able to understand:

Is one of your most-trusted associates embezzling your company's hard-earned money?

Is that job applicant being deceptive about their experience? Will their lies cost your company countless dollars and hours of training?

And most importantly...Did your kids eat those donuts you left on the counter, or did the dog?

After hearing Traci speak, you'll be better equipped to find the REAL answer to all of the questions, and MORE!

You'll quit second-guessing your instincts and immediately tell fact from fiction *when you discover:*

- Nine telltale **signs that a person is lying**
