LIAR LIAR PANTS ON FIRE

An Eye-Opening Keynote with Traci Brown, CSP

'Two Truths and a Lie' is a fun game unless you don't know you're playing. You haven't realized it, but in business, you're playing everyday... and YOU'RE LOSING.

Discover how to **win** the game with clients, your boss, your team, and your prospects. **Protect your hard-earned profits** and catch would-be fraudsters *before* they can take away **everything you've worked for**.

In this fast-paced keynote, you'll discover how to use Traci's **9-Point Fraud Spotting System** to separate the lies from the truth, so you don't innocently step into a business, life, or reputation-destroying event.

Do you often ask yourself:

Is that job applicant being deceptive about their experience? Will their lies cost your company countless dollars and hours of training?

Are your vendors overpromising or inflating their prices to scam you?

Are you willing to do prison time for someone else's actions?

Is your spouse truthful? Can you see the clues that an unfaithful partner leaves littered through your conversation?

Is your child really just "spending the night at Tony's house," or are they going to a dangerous party with no adult supervision?

And most importantly...did your kids eat those donuts you left on the counter? **Or did the dog?**

After hearing Traci speak, you'll be better equipped to find the REAL answer to all of the questions, and MORE!

You'll quit second-guessing your instincts **and immediately tell fact from fiction when you discover:**

- Nine telltale **signs that a person is lying**
- How to **quickly uncover** the truth
- How to keep nefarious people from **making you a victim**
