FOR SAFETY PROS

Two Truths and a Lie **is a fun game, unless you don't know you're playing. In business, you're playing everyday…and YOU'RE LOSING.**

Discover how to win the game with your employees and in investigations. Protect your hard-earned profits and catch would-be fraudsters before they can take away everything you've worked for.

In this fast-paced keynote, you'll discover how to use Traci's **9-Point Deception Detection System** to separate the lies from the truth, so you don't innocently step into a business, life, or reputation-destroying event.

You'll quit second-guessing your instincts and immediately tell fact from fiction when you discover:

- Nine telltale **signs that a person is lying**
- How to quickly **uncover the truth**
- How to keep nefarious people from making you a **victim**

Do you often ask yourself:

Is that new employee being deceptive about their experience? Are you sure they're qualified on that equipment?

Is your crane operator's back hurt ordoes he have the Super Bowl flu?

Did your employee REALLY slip on a puddle in the breakroom?

Was your employee even at work the day they say they got hurt?

Are you willing to do prison time for someone else's actions?

Is your spouse truthful? Can you see the clues that an unfaithful partner leaves littered through your conversation?

After hearing Traci speak, you'll be better equipped to find the REAL answers!
